

Hi Eddie,

Thanks so much for the great job you did with a VA loan for Randy K. He came to me with a pre-qual from you and you "stood the test of time!" An 8-month struggle with an indecisive buyer came to fruition, thanks you your tenacity, knowledge, perseverance and personality! You've got what it takes in a struggling industry and I have no doubt you'll be hearing from me in the future with other buyers to qualify!

Best Wishes,
